

Large Volume Industrial Service

AVAILABILITY

In all territories served by the Company at all points where facilities for gas service are available to the premise served.

APPLICABILITY

To all commercial customers whose primary business activity at the location served is not provided for under any other rate and whose preceding twelve (12) month usage exceeded 60,000 Therms. Service is supplied at one point of delivery and gas is metered through one meter unless the Company, at its sole discretion, chooses to provide service through multiple meters.

For new customers, their expected usage must exceed 60,000 therms per year.

The Company may perform an annual review of premise usage and transfer customers whose three-year average annual usage is below 60,000 therms to the Small Volume General Service rate schedule. The Company will provide notice to customers prior to transferring them to a different rate schedule.

Any customer transferring from this schedule may not return for a period of twelve (12) billing months.

RATE

A monthly net bill at the rate plus any adjustments incorporated within the UNSG Tariff Sheet. See <https://www.uesaz.com/gas-rates/> for the link to the UNSG Tariff Sheet as well as detailed applicable rates and adjustments information.

TAX CLAUSE

To the charges computed under the above rate, including any adjustments, shall be added the applicable proportionate part of any taxes or governmental impositions which are or may in the future be assessed on the basis of gross revenues of the Company.

RULES AND REGULATIONS

The standard Rules and Regulations of the Company as on file from time to time with the Arizona Corporation Commission shall apply where not inconsistent with this rate.
